Dear Tudor School,

We would like to take the opportunity to say a massive thank you for the time and generosity of the children and families of Tudor School in donating so many items to our food bank.

Thank you for choosing to help our community in this much needed way. We give out several parcels every week to people and families struggling with hardship for many different reasons and they are all very grateful to you. We always share with the recipients where our supplies have come from, and they ask us to pass on their sincere thanks.

You are real superheroes to the people of Hemel Hempstead and contribute to the community spirit that we so need to keep going in 2026 and into 2027!

Please remind your families that we are always here to support them if they are ever in need. There are sometimes unexpected challenges around the corner, and we are here for everyone.

Please pass on our gratitude to your children and contact us if there are any ways we can support your school in the future.

Kind Regards,

Hayley Preston
