

Values Newsletter

Dear Parents/Carers,

Our focus value for the month of **May** is **CONSIDERATION**

We can show this value in many ways and we will explore these over the month. When people are shown a lack of consideration, it affects the way they feel, their learning and the way they see the world.

Consideration incorporates many of our previous values and by developing considerate behaviours, our world becomes a happier and better place in which to live.

A question which may be asked is, *"How can I encourage my child to be more considerate?"* You might find some information on these links useful:

More 4 Kids

Activated

<http://www.activated.org/en/parenting/articles/development/item/2099-teaching-children-consideration>

Our school assembly can also be found on the school website <http://www.tudor.herts.sch.uk>

As always, please use the assembly as a starting point to help you to engage with your child and discuss this value so that they can share their perspective. It is wonderful to see children really listening to and learning from each other's thoughts and experiences.

With very best wishes

Maxine Smith
Deputy Head teacher
