

Dear Parent / Carer,

We are pleased to provide you with our end of year Governor Update.

Well what an exciting year it has been at Tudor! It certainly feels like it has flown, it is amazing to think about just how much has been packed into the last school year.

It is exceptionally rewarding being part of the Governor team and we greatly enjoy visiting the school to see all the hard work of both the pupils and staff at the school.

In our twice-termly meetings, it is brilliant to hear about the progress of the children and it is clear from the recent pupil voice questionnaire that pupils are really enjoying their time at Tudor too. In these meetings, we also discuss other key focus areas for the school such as improving pupil attendance.

We hope everyone is enjoying the new facilities at the school. The hall extension was a long time in the planning and is the biggest project the school has ever undertaken itself. We are proud of the outcome and hope you are too. It is great to know that all the children can sit together once again as one community. Sport has really taken off at Tudor and this larger facility helps to support many new thrilling sports initiatives.

There are other exciting developments planned for the coming months including a complete refurbishment of the Early Years Department, which will drastically improve the learning environment to benefit both pupils and staff alike. We cannot wait to see it when it is completed in the new school year.

As mentioned last year the Senior Leadership Team and Governing Board revisited their vision for the school and since this time, we have developed this further with the creation of a mission statement. This 'meeting of minds' gave everyone a clear focus on our aspirations for Tudor. We are confident that our mission to deliver a happy and caring community where all our children love to learn and want to achieve will mean our Yr 6 children will leave us with the best foundations to facilitate their future success. Tudor is most definitely going places!

As you can imagine the Governing Board have a great time working with the team at Tudor, whether it be our SEN Link Governor working with Mrs Donley or our Safeguarding Governor working with Mrs Smith. To give you a flavour of why we love being part of the team we have provided a few quotes from our team below. In addition, in case you were wondering what we all look like we have included a group photo too. If you see us at events such as parents evening, the school fair or at the Christmas concert do not be afraid to say hello, we'd love to talk to you too!

Finally, we would like to extend our thanks, to all our parents and carers, your close partnership with the school is vital and ensures Tudor continues to be the best it can be.

Thank you again and we wish you all a very restful and enjoyable summer holiday break.

Jenny Howard

Chair of Governors
On behalf of the Governing Board

Governor Quotes

“It’s about wanting the best for my children at school. Providing challenge and support for the leadership team, making sure the school provides the best it can for its community and ensuring our school thrives on the journey ahead....”

“I like making a small contribution to helping Children have a happy and fulfilling experience in education”

“If you want to understand how and why your children are doing what they do in school, and see how hard the staff and HT really work- find out how to be a governor and how you could help to make our school the best it can be.”
