

Values Newsletter

Dear Parents/Carers,

Our focus value for the month of **January** is **POSITIVITY**

Having a positive outlook can change situations very much for the better. As this may be a new word or concept for some of our children to understand, it would be excellent if you could look at the assembly on the website with them and help them to explore this value throughout the month.

Unless we teach our children well and take time to carefully explain to them, not only the meaning of certain values, but what they actually look like in real life, we may not be helping them to learn as well as they might or to develop those personal qualities we all wish for them.

We hope that these links will help you to support your children in the concept of 'Positivity'.
