

## Emily- incredible on the ice!

Since joining a local competition at the local ice rink (Skating Stars), Emily went on to win in September 2018!

She has since worked her way through the Skate Excellence levels 1-8 and will be working on training through her passport levels to take her onto National ice skating levels – wow!

Emily has taken part in the Xmas show at planet ice and won has achieved silver for her group level in her very first Spin, Spiral & Jump competition. She is also taking part in the Easter show (Broadway).

She will be soon competing again in an Artistic competition in July at Milton Keynes.
