

Values Newsletter

Dear Parents/Carers,

Our focus value for the month of **April** is **TOLERANCE**

If we could look into each other's heart and understand the unique challenges each one of us face, I think we would treat each other much more gently, with more love, patience, tolerance and care.'

~Marvin J. Ashton~

This month's new Value is the value of tolerance. This value is about children recognising and respecting that they are all different and considering this when talking and dealing with each other. Tolerance of those with different faiths and beliefs is also a fundamental British Value.

We will teach this value by recognising that we are all different and as a result hold different beliefs and views that we should respect and be open- minded about.

The children will be learning about this value in more detail in our assemblies and through their explicit Values lesson on tolerance.

Please try and discuss this value at home, especially the benefits gained by tolerating others when working together and what we can learn by understanding other people's beliefs.

With very best wishes

Maxine Smith
Deputy Head teacher
