Dear Parent/Carer,

Just a reminder that the cycle training course for your child is due to take place next week, from Tuesday to Friday.

Your child will need to have their own bike and cycling helmet and these will need to be brought to school each morning during that week. If you choose to keep the bike on the school premises, you do so at your own risk and the school is unable to take responsibility for it outside of normal school hours. They are to lock their bike up in our cycle shelter (located behind the year 2 building) and then bring their helmet to class with them. Children will need to wear their school uniform as normal but I suggest that girls do wear leggings or trousers. They will also need waterproof coats if the weather is wet.

During the first day of training, children will remain on the school playground and after that, they will take to the roads. At the end of the course your child will receive a certificate, if they have successfully passed. If you have any questions regarding the course, please do not hesitate to contact me.

Many thanks for your continued support,

Ms M Smith  
Deputy Head
