

# Lucy May's 2017 success story continues!

***We have a future figure skating champion in our midst...***

Lucy May in year 4 has been performing very well in some ice skating competitions.

Here's how she has been getting on:

JULY UPDATE- Lucy won first place in the 'Lee Valley Finals'. Out of 8 competitors she achieved first place and she was able to complete a number of high quality spins! Go Lucy May!

## **Lucy May's National Figure Skating Competition.**

*Earlier this year, Lucy May attended a National Competition at Lee Valley Ice Centre. This was only her second ever competition. She must have been very nervous but we are delighted to inform everyone that she did very well. Out of 33 girls, Lucy May achieved 6<sup>th</sup> place. What a wonderful achievement!*

*She smashed her PB by a huge 4 points and her mother has told us she even made her coach cry! (Let's hope they were tears of joy!)*

Well done Lucy May from all at Tudor. We are all thrilled for you. Mrs Rogers was especially impressed with how amazing your make up looked!
