

Values Newsletter

Dear Parents/Carers,

Our focus value for the month of September is **COURAGE**.

Having courage means that children will be brave as they meet new experiences, difficult situations or challenges. Also courage may involve being firm because of strong moral convictions.

There are some links below to sites which may be useful to parents in helping to develop the value of courage in their children.

101 Ways to Teach Children Courage

Building Courage in Kids

<http://www.heysigmund.com/building-courage-in-kids/>

Pride of Britain Children of Courage Awards

<http://www.prideofbritain.com/blog/content/child-of-courage>

As always, the introductory assembly is on the school website <http://www.tudor.herts.sch.uk> Please take a few minutes to look at the assembly. It shows 'famous' people who the children may have heard of who have changed the world through their bravery and also 'ordinary' children who have broken through fear and difficulties with their bravery in their everyday lives. We hope that you will be able to use the assembly as a starting point to help you to engage with your child and support their learning in school.

During this month, 'Person of Courage' certificates will be awarded to people who have shown courage and have been nominated by other people. The act of courage may be at school or at home. Parents and other family members are very much encouraged to nominate their child – or indeed receive nominations themselves.

It will be wonderful to hear stories of Courage throughout this month.

With very best wishes

Maxine Smith
