

The Tudor Times

Tremendous Tudor Triumph!

The winning team! - The boys prior to their 4-2 win!

Last Friday saw Tudor Primary record their first football win for approximately 10 years, after a well fought game against a strong Brockwoods Primary side.

The game got off to a great start with a brilliant opener from Balazs Soós, after a fantastic first touch around the last defender. Brockswood instantly hit back to level the score line, after squeezing one in the back of the Tudor net soon after.

The second Tudor goal came from Tao Butler, who displayed great composure to slot one in the bottom corner, after some brilliant build up play from the rest of the team.

George Higgs later put Tudor even further ahead, exhibiting some fine skill in the Brockswood penalty area, before calmly finishing off a fine solo effort.

Brockswood then showed great determination by powering another into the Tudor goal, closing the gap between the two teams.

After some tight battles in midfield, a brilliant corner came in from the right hand side. Ben Butler managed to direct a fantastic header past the Brockswood goalkeeper from this, increasing the score line to 4-2!

Both teams put in great performances as the game went on, but it was the Tudor players who ended victorious!

Man of the match performances had to be shared between Balazs and Tao, with Mr Higgins and Mr Miller struggling to decide between the two.

The boys look forward to two fixtures in the coming week, with a home game against Hobletts Manor, and Tudor's first away visit to Gade Valley.
