

Daisy the Dynamic Dancer!

We know that there are some incredibly talented children at Tudor. What is pleasing to hear about is that, not only do the children enjoy doing things they love, they also bring enjoyment to others around them. Here's a little bit of news about Daisy (the Dancer)!

On the evening of Tuesday 12th December, St Mary's Church in Apsley held a Christmas Concert/ Carol event for the residents of Florence Longman House (sheltered housing on Weymouth Street).

Daisy was an absolute super star, she entertained the residents with two Irish dances which she performed with a huge smile on her face, which in turn put a smile on their faces.

Well done Daisy- as they photos below show, you had the audience enthralled!
