Tuesday 30th September, 2025

Dear Parent/Carer,

We are pleased to announce that we have now booked the cycle training course for children who have confirmed they wish to take part. The course will run during the week beginning **Monday 10th November 2025**, from Monday to Friday.

The children will need to have their own bike and cycling helmet and these will need to be brought to school each morning during that week. They are to place their bike against the fence next to our year 2 building (but still within the school perimeter) and then bring their helmet to class with them. They will also need waterproof coats plus gloves if the weather is wet or cold.

The cost of the course is £15. Payments can be made through our online payment system from Wednesday this week or by cash in a named envelope, clearly stating the name of your child and that payment is for the year 6 cycling course. Please forward this amount to the school office **by Friday 7th November**.

At the end of the course your child will receive a certificate, if they have successfully passed.

If you have any questions regarding the course, please do not hesitate to contact either of us.

Many thanks for your continued support,

Mrs Jenny Wood
Mr Alex Crowder
