Customer Feedback

"I have taken many residential trips over the years but have never felt the need to write a letter of commendation before. The instructors we had were amazing and the best I have ever worked with on any residential and I wanted you to be aware of what a good team they made. I watched some very shy and nervous children grow in confidence and stature over our 3 day stay at Condover Hall." **St Giles Junior School**

You're in Safe Hands

Our top priority is always 'safety first'. We actively promote a culture of safety awareness in outdoor education, without losing the adventure. Our Safety Management Systems and Policy have been independently inspected and verified. All centres comply with health and safety requirements and we hold copies of their Public Liability Insurances.

- Each JCA member of staff has a copy of the company's health & safety policy in their training manual.
- Our Centre Managers have a full-size first aid kit and each of our Instructors carry a first aid kit on activity sessions.
- Daily safety and equipment checks are made and recorded at all of our centres. Any equipment showing signs of wear is immediately taken out of commission and replaced.
- JCA has carried out risk assessments for all activities at our centres.
- Any accidents or near misses are recorded and corrective action is taken to ensure that they are avoided in the future.
