

The mystery of Sutton hoo .

By Layla Michie

Sutton hoo is a place in east Anglia. One of the most famous artefacts from Anglo Saxon times is the big wooden ship.

One other artefact is the bronze helmet. The helmet is also very famous.

One of the Kings from Anglo Saxon times called king Readwald was buried inside of a mound.

This is a picture of the king Readwald.

Sutton Hoo is a fantastic place and so many people have written about Sutton Hoo and have done so much research about this place.

This is what Sutton Hoo looks like on a nice day
