English

Spelling shed - Phase 5/6

CGP - p. 10 Degrees of Possibility

Writing - Research

Research and make notes of any important events/dates/details on any extreme environment expedition. It could be on one of Shackleton's, Scott's, or any other one you can think of. You can choose how you present your notes, but try and make them as detailed as possible as you will be using this in tomorrow's writing task!

Reading

60 second read - The Life Cycle of a Flower

Maths

Maths shed - Powers of 10

CGP - p.12 Multiply/Divide by 10s

Section 1

Order the following numbers from smallest to largest, writing them in numerals:

- eighty-nine thousand, nine hundred and ninety-eight
- ninety-eight thousand, eight hundred and ninety-nine
- eighty-nine thousand, eight hundred and ninety-eight

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

Section 2

A charity gives £116 892 to three projects. One project receives £32 494, another £51 826. How much would the third project receive?

Section 3

A teacher wants to arrange 72 children into equal groups. Explain how the teacher may do this.

Topic

Create a map of your home or somewhere you are very familiar with - think about using the geography skills you have learned this year.

Think carefully about using a key, symbols, and labels on your map!

Brand new baby lemurs say 'hello' at Chester Zoo!

Chester Zoo has just welcomed a very cute addition to its animal family!

A pair of Madagascan ring-tailed lemurs were born to to parents Fiona and Dog after a 135-day-long pregnancy. The twin mammals are only 15 centimetres tall and each weighs just a few hundred grams.

"Wonderfully, youngsters are born just like miniature adults and already have all of their fur markings, including their iconic black and white tails which they use to help identify one another," said Mike Jordan, the zoo's director of animals and plant collections.
