| As Effective Communicators... | As Mathematicians... | |
| As effective communicators we will read whole books and extracts from texts written for a variety of purposes, focussing on developing comprehension skills and identifying the techniques used by the authors. We will plan, draft, write, edit and improve our own texts across a variety of fiction and non-fiction genres with consideration for our own role as authors. We will extend our technical skills in grammar, vocabulary and presentation both orally and in written form. | As mathematicians, we will use the school calculation policy to cover the statutory areas of: Number and Place Value, Addition and Subtraction, Multiplication and division, Fractions (including decimals at Y4), Measurement, Geometry – properties of shapes and position and direction(Y4) and Statistics | |
| As Members of the Digital Age... This term we will develop skills needed to use search technologies effectively. We will use the ICT suite to learn video editing skills and create a video presentation linked to our theme. |  <p style="text-align: center;">LKS2 What a Wonderful World</p> | As Historians... There is no specific history planned for this term. |
| As Members of a Diverse Society... | | As Active Citizens... We will be looking at the topic, 'working together' and 'healthy lifestyles'. |
| We will ask the question: What are the places of worship for Christians and Muslims? (Yr3) Why are books special and sacred to some religions? | | As Designers with a Purpose... We will design and make purposeful products linked to our theme, with a particular client in mind. We will explore and evaluate a range of existing products and Evaluate our ideas against our own design criteria. Our focus this term will be on pneumatic mechanisms. |
| As Geographers... We will develop our knowledge of globally significant places, focusing on rainforests. | | As Linguists... We will develop the skills needed to communicate with others from around the world focusing on learning French. |
| As Musicians... We will have the opportunity to improvise and compose using tuned and untuned instruments. We will listen to and discuss music from around the world. (Year 4) We will continue to play the recorder (Year 3). | | As Sporting Heroes... |
| As Artists and Designers... We will use our sketch books to record observations and to review and revisit ideas. We will be given the opportunity to improve upon our first attempts and improve our mastery of art and design techniques. In this topic we will pay particular attention to collage and develop creative ways to combine different media. | | As Scientists... We will be asking our own scientific questions and make decisions about appropriate enquiry methods to find the 'answer.' This term we will cover elements from Plants and Living Things & their Habitats. |
| We will communicate, collaborate and compete with each other. We will develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise our own success in Athletics, Gymnastics and Dance. Year 4 will continue to go swimming. | | |
