**Parents in Red and Yellow class will be informed if their child will be in either 1O or 1P by a separate email.*

There will be transition opportunities taking place for children to meet their new teacher in their current classrooms in the week beginning 13th July. Furthermore, there will be 'Meet the Teacher' meetings for parents early on in September. Do look at the website for when these meetings will be taking place. The website will be updated with key dates (including class assemblies and dates for consultations) for the full academic year very soon.

Please be assured that Tudor will be ready for any eventuality for the new academic year, ranging from a continuation of current practices to a full reopening. Families will be informed of the Autumn term provision at the earliest opportunity via our range of communication methods including email.

End of Year Reports will be sent home in the week beginning 6th July along with some further summer holiday support activities. We have invested heavily in these high quality pre-printed learning resources that will provide revision and consolidation support for your child. **We really hope that the children can benefit from these during the holiday period.**

Thank you for your continued support in these highly challenging times.
