

Sophia – English Comic Strip

		
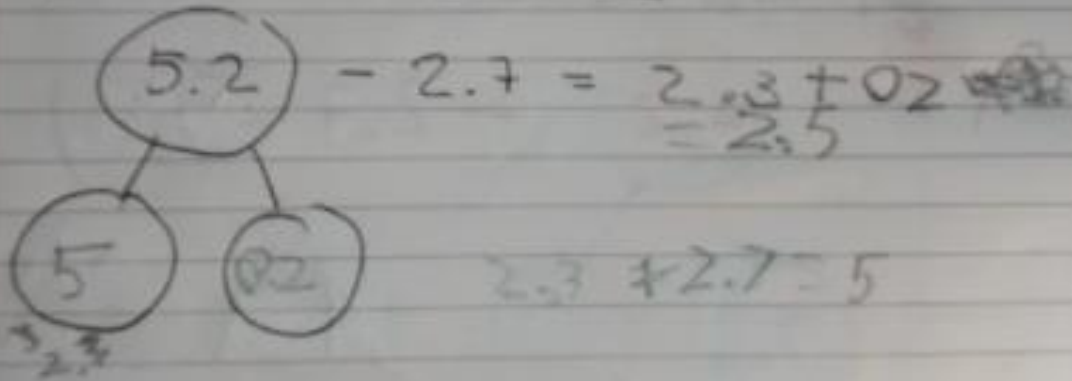

<p>In 20BC the Celtic Tribe had taken over St. Albans and built their own land on it and now that is what St. Albans looks like today.</p>	<p>In 43AD the Romans invaded and took over the beautiful town where the Celts had settled and called in Verulamium</p>	<p>61AD Boudicca led a rebellion against the mighty Romans and burnt St.Albans to the ground.</p>
		
<p>Afterwards the town was rebuilt with Stone buildings instead of wooden ones</p>	<p>Early in the 3rd Century Earth Ramparts were replaced with stone ones and the town began to prosper and succeed</p>	<p>4th Century Roaman civilisation declined in St. Albans and was broadly abandoned by the 5th Century</p>

Layla – Topic comic strip retelling the story of St Albans

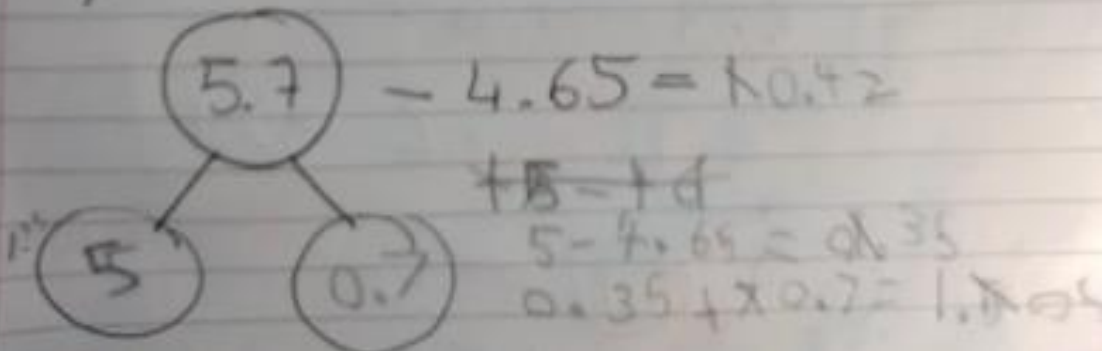

b) $1.9 - 1.57 = \underline{0.33}$

c) $5.2 - 2.7 = \underline{2.5}$

d) $5.7 - 4.65 = 1.05$

Marc - Maths Regroup decimals to subtract.
