

SoundBox Drumming Tuition

Hi, It's Gareth from SoundBox Music Academy.

We have introduced your child to our drum lessons through a video by one of our tutors, and we will be having a 'taster lesson' day in school on the 11th of June.

Now is the chance to sign you child up for a free taster lesson.

If you child likes drums and you want them to have lessons in schools during the school day, then you can sign up for lessons on the 18th of June. We will have 4 lessons, one per week before the summer holidays.

Each lesson is recorded in your child's Drum passport, so you can see exactly what they have been learning. We also rate the lesson on our 'emoji scale' as to how well they and the tutor thought they did, and if they enjoyed it. The passport is your child's to keep at the end of each term as a record of their learning.

All Soundbox's tutors have had safeguarding checks as required by the school, and Soundbox has all the required insurances meaning that your child will be safe as they learn.

Our in-school lessons run for 15-minutes or 30 minutes – the choice is yours. The lessons run throughout the day and your child will be called from class at different times each week, so they miss the least amount of class time.

Lessons are priced at £10.80 each for 15 minutes and £21.60 each for 30-minute lessons.

A term of lessons includes 10 sessions, allowing for child sickness, school activities and other absences. 15-minute sessions cost £108 per term, and 30-minute sessions are £216 per term.

What we need you to do now is sign up for the taster session – no long-term commitment at all.

After that, if you want your child to have lessons then we just need your say so, and your child's musical journey can begin.

If you need to contact to talk about anything, please do so.
