'Enabling Dreams,
Inspiring Minds,
Building Futures'

Wednesday 14th July

Dear Parents/ Carers,

Every year is different in school but the academic year of 2020/2021 will certainly take some beating. We have all had to face some new (and often bizarre!) challenges but I do think **we should all look back with a lot of pride at how we have all responded.** I truly believe that the children of Tudor have had a **'super deal'** this year and they have still been able to enjoy the fun and rewarding activities that each year in primary education should bring. A key strength of Tudor is the partnership we have with the parent community and **we are incredibly thankful at how supportive the community has been.** From supporting (and not challenging!) our approach to COVID measures and working WITH the school as part of our ongoing catch up curriculum (with additional interventions!) to help your children your input really does make a positive difference. Be assured we will continue to invest in your children next academic year (and beyond) because they really have had a disjointed school experience in these last 18 months! We won't slow down...

We are determined to keep giving our all until the end of term. Still so much to pack in! Children are still learning lots.

The end of the summer term is always very busy but it is certainly rewarding. The children in year 1 and year 2 enjoyed a wonderful Garden Tea Party on Monday and Lady Cosby of Tudorland made a surprise visit to see the children in her kingdom. As well as 'Meet your new teacher' opportunities, we have the nursery sports day on Thursday and this will happen at the same time as our Rock Steady Concert AND a visit from a county advisor. Reception sports day is on Friday and then we still have an awesome two days NEXT week with our sports day for years 1-6 on Monday (the weather forecast looks perfect!) and a (further) special treat is lined up for the final day of term which is next Tuesday (20th July). Oh yes- and we have a special Year 6 Leavers' Presentation to parents as well as the Year 6 Leavers' party on the same evening(!)- like I said, **busy, busy, busy!**

We remain very proud of the lines of communication we have but **PLEASE be ensure you use our website as a key source of information.** As I write this newsletter, the school office has received a number of phone calls regarding when the sports days will be taking place and/ or when the final day of term is- ALL of this information (and LOTS more) is on our website- and don't forget we use twitter too to help signpost our parent community to the correct information. **To CONFIRM:**

- ★ **Thursday 15th-** Nursery Sports Day- 9.30-10.30 (Field accessible from 9.15am)
- ★ **Thursday 15th-** Rock Steady Parent Assembly- 9.30-10.15 (Hall accessible from 9.15am)
