

Inclusion at Tudor Primary- a message from Miss Reading- our Leader for Inclusion:

It was wonderful that some of you were able to attend our most recent 'Tudor Coffee Morning' where Christina Philipps, our Family Support Worker, was able to answer questions and offer advice on various family issues. If you were unable to attend this coffee morning and would like to discuss any concerns you may have regarding your child's wellbeing or would like some advice regarding any family related issue, please do email me at: inco@tudor.herts.sch.uk and I will ensure you are booked on to our next monthly 'Family Support Worker Telephone Surgery'. Dacorum Family Services are also offering 30-minute sessions with their SEND Family School Workers to answer questions and to offer support and signposting for parents/carers of children with additional needs. To book, please visit www.dspl8.eventbrite.com. For further information regarding support available to families at Tudor, please do look at the SEND/Family Links section of the school website. If you do not find what you are looking for, please do not hesitate to contact me. Have a fantastic Easter and I look forward to seeing you all in the summer term!

School Meals- For the first time in a long period we are increasing the price of school meals. They will be £2.80 from the start of the summer term for children in key stage 2 (unless in receipt of free school meals). We have a **super catering team at Tudor** and I would **encourage as many families as possible to consider the school lunch option**. For the latest lunch menu choices go to- <https://www.tudor.herts.sch.uk/page/?title=School+Meals+and+Milk&pid=22>

Patience- our VALUE for the month of April is PATIENCE. More information is on the school website. Each month we have a focus on a different thing to consider and we look for how children are able to recognise (and then model) the behaviours we want to see. **They NEVER disappoint!**

Friday Freewheeling! Our popular Friday event will return on Friday April 22nd. The summer club information will be shared at the start of next term. Clubs (other than Freewheel Friday) will start the wc 3rd May. In the meantime, please **make sure all bikes are ready for action** and INVEST in suitable safety gear for the children. **Children should wear helmets.**

Family feedback on flu vaccinations- Following on from the flu season, the school health team would really appreciate feedback on what they can do to improve future family help. Please follow the link to give your views:

<https://www.surveymonkey.co.uk/r/family-feedback>

Year 2 and year 5 had fun at Aldenham Country Park and Whipsnade Zoo respectively recently and years 3 and year 4 have been adoring their weekly Mini Police sessions with Herts Constabulary. As you know **we continue to heavily subsidise such opportunities** and we will always consider the impact of any additional financial pressures on families.

Talking of financial decisions, it is during this part of the year where budget setting activities take place and **being ABLE to fund and deliver a school that we all want is becoming harder and harder**. Increased costs as well as increasing demands on providing the correct level of education mean our capacity is stretched more than ever. **Providing the**

highest level of care at Tudor must remain our number one priority. A key part of #TeamTudor is how we are stronger TOGETHER. Just like with these year 4 girls making their first spring daisy chains, the more we can work in true partnership, the more likely it is that we can succeed as a school and as a community. **Don't forget school closes at 2pm on the last day.** We have a fun last day planned first though! **Enjoy the holidays...**

Mr Weightman
