<https://www.youtube.com/watch?v=30MicAl4IHw>

## Challenge of the week!

*Our story this week is set on a farm.*

*With your family at home, can you make the noises of different farmyard animals and see if they can guess which animals they are?*

*How many can you guess correctly from noises your family make?*

## School Value of the Month!

*May - Trust*

*Who will earn a certificate on Friday for demonstrating our value of the month?*

## Notices

*Please can you ensure your child has a named spare set of clothes in school? Now the weather is improving, the children will be more likely to access water play outside, so a spare set of clothes is always useful for any spillages.*
