Dear Parent/Carer,

**Important upgrade to school communication- PLEASE ACTION**

We are excited to announce that we are moving our in school systems to an online platform called Arbor. Arbor will allow us to communicate with you more efficiently and eventually bring all core school information into one system. **You will need to use this system for dinner payments from today onwards**, and correct balances are now showing. Later in the year we will also move our messaging service, clubs and trips payments over as well.

We are really looking forward to getting started with Arbor. We now need parents to familiarise themselves with this important upgrade using the link below.

[Getting started - Log into the Parent Portal and the Arbor App](#)

We will send a further email communication to all primary parents/guardians with your username and details on how to log in to the new Arbor Parent Portal app, so please look out for this information, download the app and register your child when prompted.

We hope you are looking forward to using this new feature as much as we are!

If you have any queries please contact Mrs Cohen in the office.

Yours,

Rob Weightman, Headteacher
