There will be transition opportunities taking place for children to meet their new teacher in their current classrooms in the week beginning 11<sup>th</sup> July. Furthermore, there will be 'Meet the Teacher' opportunities for parents early on in September 2022.

The website will be updated with key dates (including class assemblies and dates for consultations) for the new academic year very soon.

We continue to be very proud of the teaching team at Tudor Primary. We look forward to working with you.

We look forward to seeing all children represented at parent consultations this week.
