## **HAPpy Camps**

### **What will your kids be doing this Summer holiday?**

Are they in need of action-packed days with the added benefit of a free meal? If so, HAPpy Holiday Camps are taking place across Hertfordshire this Easter and might be just the answer! It's all thanks to Hertfordshire County Council who have joined forces with the Herts Sports Partnership to organise a huge programme of activity for the school holidays.

Activities will be running in different venues across the county for children and young people eligible for benefits-related free school meals, and all include a nutritious meal each day. As an eligible family you can book for free using your unique HAPpy Booking Code. When prompted, please make sure you enter the whole code, which includes the % symbol which is found in the middle of the code.

Your unique code is: **ATW?5J**

You will be able to search for activities using your postcode or child's age – places are limited and strictly on a first come basis so be quick and book online from **Monday 20th June** at <https://www.sportinherts.org.uk/booking>.

## **Up on Downs Newsletter- Summer Edition**

Up on Downs has been busy as usual but it has been a particularly memorable last few months as we embarked on our first ever residential trip to Magdalen Farm with lots of fantastic memories made and a new understanding of how to manage animal care and other farm tasks.

It has been so good to begin the process of reconnecting with our members after the difficulties of the last few years. We are keen to keep the momentum building with our Summer programme of events and in supporting the launch of a new Youth Group for people with Learning Disabilities starting in September.

We will be running our usual family support meetings at the Hitchin Youth Trust, Walsworth Road, Hitchin, SG4 9SP between 2-4pm on Saturday July 9th and August 13th. Please feel free to share this information with any families or other organisations that are able to signpost to our charity.

For more details on what we've been up to and what we are planning to do please see the attached Summer newsletter.
