EXPECTATIONS

We are supporting the children in becoming more responsible and more independent – this means that bringing in home learning and reading records and remembering PE kits is the responsibility of the child, not the parent.

Children still need to be collected by an adult who is on the approved arbour list. If there is a regular change please inform the office, however if it is a one off pick up please write a note in the red book.

Home learning

Each week the children will be given

- 1 spelling sheet and an activity set on spelling shed
- Either a double page spread CGP Reading Comprehension book and CGP Maths 10-minute workout book
- Home learning tasks should take about 30-45 minutes
- Reading records will be checked daily and merits will be awarded for super readers!

Home learning

Homework is given on a Friday and due back the following Wednesday.

If you require help with homework, please let us know before the handing in date- we are more than happy to help.
