Cycling Proficiency

Dear Parent/Carer,

We are pleased to announce that we are able to offer a level 2 cycle training course for children in year 6 during week commencing 7th December. During Level 2 Bikeability training, your child will ride out onto the roads – this will give them a real cycling experience so that they are able to deal with traffic on short journeys such as cycling to school.

The cost of the course will be £17.50. This is at a reduced rate as the Road Safety Unit is eager to ensure that cycle training becomes a regular activity in schools.

The children will need to have their own bike and cycling helmet. At the end of the course, children will receive a 'level 2 on the road' certificate, if they have successfully passed.

Please complete the form below and return to the school office by **Monday 19th October**, if you wish your child to participate.

The payment of £17.50 will only be required once your child's place has been confirmed.

Many thanks for your continued support,

Year 6 team

……

I would like my child ……(child's name) to have a place on the cycle training course

A payment of £17.50 will be required **once my child's place has been confirmed.**

Signed.....(parent/carer)

Please return the slip to your child's class teacher by Monday 19th October
