Communication and Language	Personal, Social and Emotional Development	Physical Development
As effective communicators, we are going to be learning to listen to others on the carpet and respond to how and why questions. We will be using 'and' and 'because' to extend our sentences and give more detail.	We will be exploring our value of the month, responsibility and then thoughtfulness each month and what they look like in the classroom.	In reception we will be continuing to develop our gross motor skills outside and inside in our PE lessons, by learning more complex games with longer instructions. We will use tools to help develop our fine motor skills and coordination to prepare our hand muscles for writing.
Literacy	**EYFS Celebrations** 	**Maths**
We will be exploring fiction and non-fiction texts focussing on the celebrations we are learning about, and books related to Autumn changes. The children will be word building using the new sounds they have learnt in phonics.		This half term in number, we will be looking at the composition of number and how we represent each number in different ways. We will continue to subitise different amounts and will use a range or apparatus. We will be exploring comparisons in number and in shape, space and measure.
Expressive Art and Design	**Phonics**	**Understanding the World**
As artists, we will be learning new skills with a paintbrush, and other painting tools, including colour mixing. We will also be role-playing in our Tudor Autumn cafe and animal habitats small world area!	The children will be continuing their phonics journey with Nursery continuing with ELS Phase 1 and Reception moving onto ELS Phase 3.	We will be exploring a range of celebrations throughout the half term: - Bonfire night - Diwali - National nursery rhyme week - Remembrance Day - Christmas
